

Temporary Event Permit Information

Temporary events are typically one-time events of short duration (including annual or recurring events). Examples include fairs; carnivals; rodeos; shows; walking, running, and/or bicycling events and races; parades, and tent revival meetings. Some events are explicitly exempted from the requirement of a Temporary Event Permit, but some events not listed may also be exempted. To determine whether your event is exempted, please review the list of exempted events in Section 5.11.C of the Zoning Code that is attached to this sheet. If your event is not listed, please notify the City of the proposed event with the information requested below. You may send the information to the Planning Department via email at planning@eastvaleca.gov or mail it to City Hall at 12363 Limonite Avenue, Suite 910, Eastvale, CA 91752.
